**MEMBERSHIP APPLICATION**

Women's Mountain Biking Association of Colorado Springs

**Our Mission:**

To encourage women of all levels of skill and interest in cycling through making the sport and cycling community in Colorado Springs more accessible and visible.

- We aim to encourage participation in race events through a developmental team

- Organize group and training rides
- Educate women through skill and bike maintenance clinics
- And organize social events to promote community

While we are a committed group of female racers and skilled riders, membership includes female cyclists interested in completing their first race or group ride.
